PROFESSIONAL SUMMARY

Final-year Computer Science Engineering student with hands-on experience in full-stack development, SaaS product architecture, REST APIs, and AI-based applications. Skilled in building scalable systems using React, Node.js, Express.js, PostgreSQL, and Prisma ORM, with a strong record of shipping production features such as authentication, role-based access control, and analytics dashboards. Seeking a Software Development or AI Development Internship to apply full-stack and backend engineering skills to real-world products.

TECHNICAL SKILLS

Languages: JavaScript, Java, SQL, HTML, CSS
Frameworks & Libraries: React.js, Node.js, Express.js, Material UI, Vite
Databases: PostgreSQL, MySQL, Prisma ORM
Tools & Practices: Git, GitHub, Postman, JWT Authentication, REST API Design, VS Code, Vercel, Render, Excel Automation
AI Skills: Prompt Engineering, AI Agent Fundamentals, AI Workflow Integration, Call Sentiment Analysis, AI Application Development

PROFESSIONAL EXPERIENCE

Team Lead / Project Coordinator | *Acura Bizsol* 2026 – Present

- Led a team building a SaaS platform, managing coordination, task allocation, and day-to-day project execution.
- Selected and assigned team members based on project requirements and individual skills.
- Contributed hands-on to planning, execution, testing, and problem-solving throughout development.
- Tracked task progress and coordinated deliverables, resolving blockers to keep workflow on track.

Datamatics Global Services Limited

Executive (Full-Time) Aug 2025 – Present

- ***Proctoring Process, Mar 2026 – Present:*** Managed escalation desk operations and technical support for online examination platforms; monitored live proctoring sessions for exam integrity; and resolved candidate login, system, and technical issues with internal teams.
- ***Sales Process, Aug 2025 – Mar 2026:*** Managed lead generation, verification, and client communication for international sales operations; conducted call quality audits for process compliance; and maintained reporting accuracy and workflow standards.

Part-Time Dec 2023 – Jul 2025

- Monitored online examination environments and supported testing operations while ensuring compliance with operational guidelines.
- Provided customer chat support and issue resolution, coordinating with cross-functional teams to strengthen communication, analytical, and problem-solving skills.

PROJECTS

Admission CRM & Lead Tracking System — *React.js, Node.js, Express.js, Prisma ORM, PostgreSQL, JWT*

- Built a full-stack CRM enabling institutions to manage the complete admissions lifecycle, from lead capture to enrollment.
- Implemented JWT-based authentication with role-based authorization to secure access across admin, staff, and counselor roles.
- Designed lead management, communication, task management, and admissions modules backed by REST APIs and a normalized PostgreSQL schema via Prisma ORM.
- Created a dashboard analytics module with charts and reports for real-time visibility into admissions performance; deployed the full application end-to-end.

Pet Services SaaS Platform — *React, Node.js, PostgreSQL*

- Designed a multi-business SaaS platform for pet service providers with a scalable database schema supporting customer management and appointment booking.

AI Call Sentiment Analysis Report — *AI / NLP, Prompt Engineering*

- Built an AI-powered solution that analyzes customer calls to generate automated sentiment reports and call summaries.

School ERP SaaS Platform — *Full Stack, Multi-Tenant Architecture*

- Designed a scalable multi-tenant ERP for admissions, attendance, fees, staff, and student management across schools.

Property Developer Website — *React, Responsive Web Design*

- Developed a responsive marketing website for a real estate developer with an inquiry management workflow.

EDUCATION

Bachelor of Technology, Computer Science Engineering Final Year
[University / College Name]
HSC — Gokhale Education Society, Maharashtra State Board 2020 | 64.60%
SSC — K.K. Wagh Education Society, Maharashtra State Board 2018 | 79.40%

CERTIFICATIONS

HubSpot Reporting • Excel Automation • AI Agent for Beginners • Time Management (Infosys Springboard)
